---

We are committed to excellence in solar container and energy storage solutions. With complete control over our manufacturing process, we ensure the highest quality standards in every solar ...

Whether you need residential photovoltaic storage, commercial BESS systems, industrial energy storage, mobile power containers, or utility-scale photovoltaic projects, WALMER ENERGY ...

We specialize in solar energy systems, solar power stations, home power generation, wall-mounted integrated units, photovoltaic projects, photovoltaic products, solar industry solutions, ...

We specialize in photovoltaic projects, solar products, solar industry solutions, photovoltaic inverters, energy storage systems, lithium batteries, residential off-grid power generation, ...

What is the Timor-Leste solar power project?The Project involves the construction and 25-year operation of a new power plant in Manatuto, Timor-Leste, comprising a 72 MW solar power ...

Container Energy Storage System (CESS) is a modular and scalable energy storage solution that utilizes containerized lithium-ion batteries to store and supply electricity. These containers are ...

Our certified energy specialists provide round-the-clock monitoring and support for all installed home energy storage systems. From the initial consultation to ongoing maintenance, we ...

What is HJ mobile solar container?The HJ Mobile Solar Container comprises a wide range of portable containerized solar power systems with highly efficient folding solar modules, ...

The GS200 EnergyStorage System is self-contained, modular storage system delivering the most cost-effective and safest energystorage on the market. The zinc/iron flow battery incorporates ...
