Whether you're looking for large-scale utility solar projects, commercial containerized systems, or mobile solar power solutions, we have a solution for every need. Explore and discover what we have to offer!

FTMRS SOLAR specializes in photovoltaic power generation, solar energy systems, lithium battery storage, photovoltaic containers, BESS systems, commercial storage, industrial storage, PV ...

Customisable and scalable 1 - 4 megawatt hour battery storage systems designed to suit your requirements. Preassembled in 20 and 40 ft container for easy transportation and deployment.

Large battery energy storage container units from ZN-MEOX typically use a 40-foot container as the base, integrating comprehensive energy storage systems (including photovoltaic ...

With 500KW of power and a massive 2150kWh of storage, it ensures stable energy supply during peak usage or grid outages. Its all-in-one container design simplifies deployment, reduces installation time, ...

40HC containerised battery energy storage system with 7.53MWh capacity at 1000V. Designed for peak shaving, price arbitrage, grid balancing, energy trading, frequency regulation, and data centre ...

ECS 40 Vasara Energy is introducing self-sufficient energy container solutions for energy supply that can be used in homes, villages and camps, as well as ...
