I like XYZ INVT as it produces solid power inverters. Please read XYZ INVT 1500W Pure Sine Wave Inverter Review. It is perfect for solar too.

Contact Details Company Info Invt Inverters in Australia Warranty Information When INVT inverters were CEC approved for use here, it looks like it was the iMars range, which was available in various capacities in single and three phase options. There was nothing particularly special about them, and why they are no longer available here isn't clear - but there has been plenty of competition in the budget inverter space from s...
