Chinese solar power giant Longi Green Energy Technology Co officially announced its entry into the storage sector with the launch of the Longi Energy Storage One-Stop Solution.

LONGi offers professional consulting services, technical knowledge of solar-plus-energy storage integration solutions, and full life-cycle O& M capabilities.

This marks LONGi's strategic evolution from a global photovoltaic leader to an integrated "Solar-Storage-Hydrogen" comprehensive energy solution provider.

Longi Green Energy, China's largest vertically integrated solar manufacturer, has been linked with a rapid pivot into the battery storage market.

As a core driver of the global energy transition, solar power is rapidly integrating with energy storage to shape the future energy landscape. ...

LONDON, November 26, 2025 -- LONGi, the global leader in solar technology, today unveiled its energy storage strategy in London, officially ...

LONGi's energy storage solutions will be initially deployed in key markets such as the UK, Germany, Italy, and Spain, helping utilities and power ...

China-based photovoltaics and electrolyser maker LONGi has officially moved into the energy storage sector with the launch of its LONGi Energy Storage One-Stop Solution, positioning ...

LONGi officially announced its entry into the storage sector with the launch of the LONGi Energy Storage One-Stop Solution, expanding from global photovoltaic leader to an integrated ...
