As a vertical manufacturer, we offer the same high-performance liquid-cooled battery packs used in our C& I systems. Perfect for system integrators seeking reliable, high-density energy modules.

Built with standard 5.12kWh battery modules, the system supports 4-14 modules in series for flexible voltage and capacity configuration. With up to 8 clusters in ...

With its modular and scalable design, this BESS cabinet can be tailored to specific energy requirements, serving as a robust 100kwh battery storage solution for ...

The iCON 100kW 215kWh Battery Storage System is a fully integrated, on or off grid battery solution that has liquid cooled battery storage (215kWh), inverter ...

This achieves an integrated "PV + Energy Storage" solution. The cabinet system adopts a modular design, allowing flexible configurations for photovoltaic, ...

Highjoule's 100kWh Outdoor Cabinet Series integrates the battery, BMS, EMS, modular PCS, and fire protection system into a compact, weatherproof unit. Its modular design ensures flexible deployment ...

This solution uses 5 sets of 100kW/215kWh modular outdoor cabinet energy storage system, which support up to 15 units in parallel. It's an ideal choice for ...
