---

Absen's Cube liquid cooling battery cabinet is an innovative distributed energy storage system for commercial and industrial applications. It comes with ...

Our outdoor energy storage cabinet is an intelligent integrated management system that provides reliable and efficient energy storage for outdoor applications.

Liquid cooling in the 233KWh energy storage cabinet provides several benefits, including efficient heat dissipation, which helps maintain optimal battery ...

Designed for industrial and commercial energy storage applications, these solutions ensure safety, reliability, and optimal performance with advanced liquid cooling technology and a 10+ ...

Our system is designed to enhance energy density and thermal performance, accelerate installation times, engineered for optimal serviceability, and ...

Maximize power reliability & savings with our 125KW/261KWH Liquid-Cooled Battery Cabinet. Featuring superior cooling efficiency for extended 10-year lifespan, it enables critical equipment UPS protection ...

Adaptive to harsh environments: Free from impacts of extreme cold and heat; Intelligent dehumidification inside cabinets to eliminate condensing risks.

Each outdoor cabinet is IP56 constructed in a environmentally controlled liquid cooled cabinet including fire suppression. Multiple 373kWh cabinets can be installed together creating up to 4472kWh energy ...

Liquid-cooling Outdoor Cabinet for C& I Applications New-generation liquid-cooling outdoor energy storage cabinet suitable for energy storage, which features built ...

# Outdoor liquid-cooled energy storage battery cabinet

Outdoor Cabinet BESS CX-CI002 is an all-in-one 215kWh lithium battery storage cabinet system specifically developed for demand regulation, peak shaving, ...
