About us. Founded in 1998, TalkBass has always been the largest and most comprehensive community and classifieds for bass players of all genres. TalkBass may earn a small ...

Question: I am developing some GAS for a Distillate but I already have a Spoiler. But maybe my GAS is not making me think straight ?. Is there much difference in sound between the ...

I have major GAS and I'm starting a thread. So it goes. Here's what I know: The Starfire is a 30.75" scale but needs medium scale strings. No worries, I play LaBella LTFs and they come in ...

My sound primarily comes from a Reverend Watt or Squier Mustang into a BOSS BC-1x compressor and Tech 21 BDDiv2. My amp for the past 9 years has been a Markbass LMII into a GK ...

I'd like to know bass players opinions on fretboard wood. Cheaper basses use laurel, pau ferro, roseacer, etc. Premium basses use maple (although so does cheap basses), Indian rosewood, ...

Welcome to The Talk Bass Fender Rumble Club Wiki Please PM requests for additions or corrections to G-Dog TalkBass Member Map TalkBass Member Map Rumble Information on U.S. ...

So, I am back to bass after around 30 years of on/off guitar in bands, was the lead in my current band. I switched because we have a hard time keeping bassists and my hands have passed ...

Talk Talk: Lee Harris (drums), Mark Hollis (Vocals, keyboards, guitar) and Paul Webb (bass) I first became aware of Talk Talk as a kid when watching chart shows on TV, this was the ...

Long story short I was offered one - exceptionally well-preserved judging by the pictures - in a trade for an item (not bass-related) that is not a hot seller and which I'd like to see gone to free ...

If you play with a pick, what do you prefer to use and why? I use .88mm Dunlop Tortex Jazz III XL. I like the

Talk about smart solar inverter

pointed tip for speed and precision and the XL size because the regular Jazz III ...
