How I Tested The Best Solar Chargers  
Things to Consider Before Buying A Solar Charger  
Final Thoughts on The Best Solar Chargers  
I called in 13 different solar chargers from nine different manufacturers for testing. The main criteria was that it be a portable panel that you can use to charge a small electronic device, like a smartphone or a tablet, without the need for a power bank as an intermediary. The reason that power banks are typically used as an intermediary between ...
